

18th ICCSIT 2025

The 18th International Conference on Computer Science and Information Technology

Paris, France

October 27-29, 2025

The 18th International Conference on Computer Science and Information Technology (ICCSIT 2025) will be held in **Paris, France** during **October 27-29, 2025**.

ICCSIT 2025 is a forum for presenting excellent results and new challenges facing the field of computer science and information technology. It brings together experts from industry, governments and academia, experienced in engineering, design and research. The conference been held since 2008. Over the past fourteen years, ICCSIT has developed into a well established conference covering topics from artificial intelligence to bioinformatics, theory and techniques for the design, application. The ICCSIT 2025 offers a rich program, including keynote speeches, regular presentations, workshop, academic visiting or tour. We need your contribution and participation to make it a successful event.

CALL FOR PAPER

✦ Computer Science

- Algorithm design
- Artificial intelligence
- Computational biology
- Computational neuroscience
- Data structures
- Discrete Mathematics
- Distributed computing
- Evolutionary computing
- Formal methods
- Formal semantics
- Image processing
- Information visualization
- Machine learning
- Mathematical logic
- Number theory
- Numerical analysis
- Operating systems
- Quantum computing
- Relational databases
- Reverse engineering
- Robotics
- Soft computing
- Software engineering
- Structured Storage
- Symbolic computation
- Type theory
- Computer programming
- Networking

✦ Information Technology

- Artificial & computational intelligence
- Business intelligence and management
- Business strategy and information technology
- Computational biology & bio-informatics
- Computer simulation
- Design system & algorithm
- Ecommerce and egovernment
- Education system and its application
- Image and signal processing
- Information & knowledge
- Information economics and management
- International business
- Internet technology
- Modeling and optimization
- Modeling and simulation
- Nano computing
- Pattern recognition
- Pattern recognition and information retrieval
- Programming languages
- Security and safety
- Signal & image processing
- The application of information technology
- Ubiquitous computing and embedded systems
- Wireless communication and mobile computing
- Management Information system
- Mobile networks

For more topics, please visit: <https://www.iccsit.org/cfp.html>

CONFERENCE COMMITTEE

• Conference Chairs

Smain Femmam, University of Haute-Alsace, France
Malleswara Talla, Concordia University, Canada

• Program Chairs

Merouane Debbah, Khalifa University, UAE
Samia Nefti-Meziani, University of Birmingham, UK
Naoshi Sakamoto, Tokyo Denki University, Japan
Yuan-Kai Wang, Fu Jen Catholic University, Taiwan
Richi Nayak, Queensland University of Technology, Australia
Sikha Bagui, University of West Florida, USA
Farid Nait-Abdesselam, Université Paris Cité, France

• Steering Committee

Roberto Montemanni, University of Modena and Reggio Emilia, Italy
Rogério Rossi, Federal University of ABC, São Paulo, Brazil
Jemal H. Abawajy, Deakin University, Australia

• Publicity Chairs

Essia Hamouda, California State University San Bernardino, USA
Seppo J. Sirkemaa, University of Turku, Finland
Dejan Skvorc, University of Zagreb, Croatia

• Area Chairs

Mario Konecki, University of Zagreb, Croatia
Ismail Bennis, University of Haute Alsace, France
Ushio Inoue, Tokyo Denki University, Japan

• Local Organizing Chairs

Toufik Bakir, Université Bourgogne Europe, France
Selma Boumerdassi, CNAM, France
Thomas Lebris ENSIATE Paris, France
Madjid Boukra ENSIATE Paris, France
Rafael Madon ENSIATE Paris, France

SUBMISSION

- Language: All submissions should be written in English.
- Submission Types: Abstract submission for presentation only without publication; Full paper submission for both presentation and publication.
- Paper Length: The submitted papers should be no less than 8 pages. Papers exceeding 10 pages will not be charged.
- Submit your paper to Online Submission System: <http://confsys.iconf.org/submission/iccsit2025>
- Send your paper to email box: iccsit_Conf@outlook.com

IMPORTANT DATES

- Submission Deadline: **May 20, 2025**
- Notification Deadline: June 20, 2025
- Registration Deadline: July 5, 2025

CONTACT US

- Conference Secretary: Ms. Luna Wu
- Email: iccsit_Conf@outlook.com
- Tel: 001-518-478-2659
- Website: <https://www.iccsit.org/>

Conference Proceedings

Accepted papers after proper registration and presentation will be published in the International Conference Proceedings Series by **ACM**, which will be submitted for indexing by **Ei Compendex**, **Scopus**, etc.

Journal Recommendation

All accepted papers after proper registration and presentation will be published in one of the following Journals based on the topic of paper.

- **Journal of Advances in Information Technology (JAIT)**

ISSN: 1798-2340 (Online) | DOI: 10.12720/jait

Abstracting/Indexing: [ESCI \(Web of Science\)](#), [Scopus](#) (Since 2020), EBSCO, Google Scholar, [CNKI](#), etc.

- **Journal of Image and Graphics (JOIG)**

ISSN: 2301-3699 (Print) | DOI: 10.18178/joig

Abstracting/ Indexing: [Scopus](#) (Since 2021), [CNKI](#), Ulrich's Periodicals Directory, Google Scholar, Crossref, etc.

- **International Journal of Computer Theory and Engineering (IJCTE)**

ISSN: 1793-8201 (Print) | DOI: 10.7763/IJCTE

Abstracting/Indexing: Scopus (Since 2022), INSPEC (IET), CNKI, Google Scholar, EBSCO, etc.
